*One Person Can
Make a Difference*

Lesson 11

One Person Can Make a Difference

A small group of faithful committed people is normally the only thing that brings about change in any arena. Look at the Pilgrims. Look at Microsoft. Look at any sports dynasty. One person can make a difference. It can start with you. If you will begin today to commit to personally living a fruitful life by prospering in your soul (3John 2), you can prayerfully develop _____, _____, _____ relationships, that will multiply and produce fruit that will remain!

Let's take a look at 2 examples of individuals that today have become _____!

1. Woman at the Samaritan well- (John 4:1-42)

a. She was confronted with why she needed the messiah-(7-17)-Obviously, the first thing that must happen in order for us to make a real impact in this world is that must come to the end of ourselves(2 Tim 2:26). This Samaritan woman was impacted by the Master evangelist as he led a lifestyle of evangelism. In a everyday setting, in the middle of his own need(thirsty and tired), he had a passion for the lost and operated in the gifts of the spirit in order to reach out to a lost and desperate world. You first must be soundly saved and have an insatiable desire to find the lost treasure of this world, souls, if you are going to make a real impact.

b. She had an encounter with Jesus- v. 26- Anyone that is going to change this world is not going to simply have a head knowledge about the Lord, but is going to pursue his/her best friend with passion until they have had a personal _____ with Him. (Paul, Moses, Benny Hinn) If you will start to worship and love the Lord will all your heart(v. 23-24) and get hungry to draw near to the Lord(Jam 4:8, Phil 4:5), you can introduce people to a personal friend instead of a book or theology.

c. She shared her encounter with her Lord with others-v.39- Notice that is was personal to her. She shared her testimony not her theology. Jesus must be _____ to you! When you meet Jesus, the only thing you will want to do is help others drink from the well that satisfies the soul. You have freely received, so you freely give.(Matt 10:8)

d. Many in her city believed- As this Samaritan woman met this Jewish rabbi, her whole city was impacted. They said to her, we no longer believe because of what you said; now we heard for ourselves, and we know that this man really is the

Savior of the world. Like this common everyday woman, you can turn your city ablaze for Jesus too if you want to.

2. Phillip goes from a waiter to a Citytaker! (Acts 8:4-8)

a. Phillip was hired by the church to waiter- In Acts 6:5, the church was in need of some help to feed the Hebraic Jews whose widows were being overlooked in the daily distribution of food. Phillip was found to a man of faith and full of the spirit and having wisdom. V. 3 In order to be a history maker, you must be filled with the Holy Spirit!(Didn't manifest in miracles right a way) When one is saturated in the Holy Spirit and has an _____ spirit(Dan 5:12KJV), like a balloon connected to a hydrogen tank, it is only a matter of time until we will begin to see a manifestation. Phillip was willing to help where he was needed and as the Lord said, he who is faithful with little, will be a ruler over more.(Matt 25:21) Be faithful where you are and do everything the best you can and watch what God will do!

b. Phillip preached everywhere-v4-26-40-I don't care if you are the janitor here, a garbage man or the President of a corporate conglomerate, if you will simply begin to preach everywhere you go, you will begin to see the hand of the Lord use you in ways you only dreamed

c. Phillip walked in the power of God –v 6, 7- People that turn cities upside down, walk in the gifts of the spirit. As we have discussed, miracles and healings that are visible, will grab the ear of people to listen about your invisible God. You must eagerly desire the greater gifts!(1 Cor 12:31, 1 Cor 14:1) The Lord has said that you will do greater works and that _____ would follow those who believe!(John 14:12, Mark 16:17-18) That's you right?

d. There was great joy in the City!-v 8- Citywide revival! Joy is the result of revival! Many Christians are dried up raisins that look like they have baptized on dill pickles. When people meet the true Jesus, the one who will heal their broken bodies and set them free from tormenting devils, there will be joy unspeakable and full of glory. You have been anointed and appointed to go and set the captives free. Not with religion, but with the great Holy Spirit! Your city is waiting!

So congratulations! Assuredly, many have not finished the race and completed this **Citytaker Training**. But for you to finish this training, go home and put your certificate up on your wall, is not going to help that lost friend that has cancer one iota! You now must do what you have learned!(James 1:22-25) Moses is not here. Ruth is not here anymore. Paul and Peter are not longer here. John G. Lake, Smith Wigglesworth, and Kathryn Kuhlman are all dead. They are not able to accomplish anything else on planet earth. This is your time. You were born for this. This is your time to change a generation and make the name of Jesus famed throughout this land. I hope to hear of the great exploits you do for the Master! (Dan 11:32) I wait

expectantly with a great cloud of witnesses(Heb 12:1) to see you and Lord together, make a difference and fulfill your purpose in this generation! (Acts 13:36) You are a Citytaker!

Let's pray right now. Father, I thank you for my brother and sister. I thank you they have allowed the process of becoming a fisher of men to increase in their life. Father, I ask you to give them souls. Men, women, children, relatives, and strangers bowing their knee to Jesus. Let revival be spread through them. Let an epidemic of salvations, healing, signs, wonders, and disciples come through them. Lord, right now let the burden and zeal for the lost consume them. Receive it right now. Hear the cries. Feel their pain. Father, let the fire of the Holy Spirit burn within them right now for souls. Father, let them see what you see as they look at the ripe harvestfields. Let them get addicted to soul winning. Give them a revelation that the master soul winner lives in them right now and manifest yourself to them and through them. Father, boldness. Radical, radical, radical! Father, help my friend to take what you have imparted and dispense it on their world in Jesus' name. Yes! Go make some history!
